The Premises:

Well known location in Milton Keynes. MKE has two adjacent flats, lots of nearby parking (metered) and easy access.

The Lady:

Stunning. I'd visited with someone else in mind, but decided to see who was available. When Ruby walked in, my mind was made up instantly.

Tall in her shoes, lovely slim figure. Large (enhanced) breasts and a friendly smile.

The Story:

Ruby came in and immediately started kissing me deep and passionately. I ran my hands over her and she undid my belt and jeans. We kissed and stroked some more before both undressing. Still standing I got to suck on her tits and play with her body before we moved to the bed. OWO was simply divine, and soon enough she suggested a condom and then mounted me cowgirl.

It was over too quickly - which was my fault! - but she was up for another go. But I was short of time, so settled for a chat and some more kissing before leaving. I will definitely be back, as I would love to enjoy her some more.
