The Story:

Last minute appointment whilst passing through Milton Keynes. Have visited a related venue in Cemtral London previously where I've had a positive experience so thought I'd give Annabelles a go. Venue is not really suited to my preference. Would rather meet an independent lady or agency lady who can offer better facilities (eg a shower or somewhere to freshen up before/after) - happy to pay more for better facilities than were available here.

Hadn't really scoped out the ladies available at the time and ended up booking with Karolina based on brief description over the phone. Not really my type however Karolina was engaging throughout and quite raunchy. I might have stayed longer had I felt the venue a bit more suited to my preference - consequence of not doing my research or planning properly in advance.

Overall - positive review of Karolina despite not being my type. I wouldn't return myself.
Negative review from me for venue. Quite a few blokes hanging around downstairs in the living room from what I could tell - a lot of chatter going on. Would prefer somewhere more discrete myself and am better off paying a bit extra for that.
