The Premises:

Discreet house conveniently near MK Central. very clean, good shower, comfy bed and relaxed atmosphere.

The Lady:

Olivia is a lovely black South African lady who has a wonderful figure and a flashing smile. She is very relaxed but also very sexual and able to give any positive partner a marvellous time.

The Story:

A couple of years since we last met but there was an instant connection and I could only gasp at how well, attractive and friendly Olivia was as soon as our eyes met again.

I talked too much but Olivia ensured all the sexual things were enjoyed and I had a brilliant time reacquainting myself with the pleasures of her body and enjoying the responses Olivia was unrestrained in offering.

So cuddles and hugs, french kisses and fondles, licks and fingers as well as oral both ways (without), before the various positions of sex with as 'real life' a partner as I could ever imagine being with.

I had pretty much gone into punting hibernation over recent months. That's over now and how.
