The Premises:

as previously reported - very nice and clean

The Lady:

Cameron is much taller than I expected and has a wonderful figure and a pretty face

The Story:

had booked in advance for 5-30 and after a short wait in reception Cameron came and guided me to the room

what a very friendly Geordie lass - dressed in a very revealing outfit

she returned whilst I was still in the shower so we were able to chat whilst I finished and dried off

I think she said that she was 30 years old but does in my opinion look a few years younger

I immediately decided to check if we could extend to 45 mins from my original booking of 30 mins and Cameron quickly went off to let reception know but returned quickly and immediately stripped off completely without any prompting - I liked that

as time was no longer an issue we spent a few minutes chatting and stroking each others bodies and kissing passionately

I think she is a little conscious about her size especially compared to some of the girls at GFE who could be described as waif like but I would compare her to someone like sharron davies or Rebecca adlington - the swimmers - because she is so tall she has an amazing figure and her breasts are natural and soft and just right for her

after asking if I would like OWO - which I affirmed - Cameron slid down and began - it was great she then adjusted her body so that I could play with her lady bits and she soon became wet and instructed me to insert my fingers inside

I must have been very excited because after a few minutes I shot my load - Cameron did apologise as she genuinely wanted me to shag her but it didn't matter because I was happy and so at my insistence we spent the remainder of the appointment chatting and just holding each other so in summary another fantastic girl at GFE and its getting very hard to choose between them apparently she has been working for about 4 years and previously did escort under the name of Cameron leigh which can be googled but please note that anal is not on the menu - a slight error on the GFE website

thank you Cameron xx
