The Premises:

Doorway entrance in busy shopping street, plenty of free on street parking all around. Clean and tidy rooms with good shower facilities. Always a friendly welcome.

The Lady:

Photos are spot on - incredible body, small pert boobs, I would guess mid twenties, tanned skin and beautiful face

The Story:

I grabbed a shower and Talida arrived wearing a bright pink outfit (as you would expect from an Italian girl!) - she stayed in the room whilst I finished and promptly stripped off revealing a tight tanned body. No french kissing (please amend her profile!) but some light kisses on the lips, she then said do you want me on top. I thought things were a bit shaky at this point and it was going to be a bad punt so I took control and demanded so oral which was skillfully delivered along with some oiled hand action. I returned the favour on her which she seemed to enjoy and slipped some gentle fingers in, which was welcomed!

On with the hood and started with me on top with Talida's legs around her ears - man that girl is flexible. Switched to her on top then her beauty over took me with stage fright so I had to finish off with some COB.

Overall a good experience, her limited English made for little chatting but if you want to punch above your weight with a beautiful slim, hard body young lady then you could do worse than to choose Talida
