### The Premises:

A clean, top floor flat about a 5 minute walk from Bethnal Green rail station. It was also near the tube station on a busy road in a shopping area, but it was discreet with a buzzer/intercom entry.

### The Lady:

A petite, Romanian girl with soft b/c cup breasts and pink nipples.

### The Story:

This was my second visit to this flat. Although typically there are other girls sharing the premises, you are greeted by your chosen girl. I enjoyed the session because the room was very spacious and Georgia was very friendly. She began by giving me uncovered oral which I enjoyed because she didn't masturbate me at the same time. We then switched to covered sex in the doggy position and finished with me coming over her breasts.
