### The Premises:

Close to Harborne Pool, in a very secure gated property.

I phoned up that morning and spoke to a lovely lady claiming to be Lexi. We had a lovely chat and fixed up 2pm appointment.

Arrived at the given postcode 10 mins early, phoned and no answer. Phoned repeatedly every 5 mins or so. Five not answered calls later (10 past 2), just about to drive home I was bombarded with text messages and then a call from her. No apology, but directions to exact location.

I chose to leave my car and walk to the apartment. The gates and security intercoms were a nightmare. Even when inside the block, there were no numbers on the doors. Fort Knox would have been easier. So another 5 mins wasted, it is now 20 or 25 mins past the hour. Once inside the apartment, it was modern, clean, tidy, and not cold, not hot.

### The Lady:

Great looking, early 20s, small perky titties. Her hair was up. She is stunning in and out of her clothes.

Unlike her photos, Lexi's skin is either very tanned or perhaps it's her complexion. Either way, I am not complaining - she was gorgeous.

### The Story:

We started off with oral (OWO). She was really good at this, possibly the best ever. After only 5 minutes(or so) of preliminaries, she was wanting to put on the condom and progress to full sex.

Wow, slow down girl.

Well, I managed to keep the preliminaries going a bit longer. But at quarter to, she was clearly clock watching and talking about the next guy's time-slot 3pm. So, I finished, got dressed and was ushered out the door. So my hour's booking was reduced to half an hour at best.

We did manage some meaningful and polite conversation. It was strange because she didn't recall any of the phone conversation when I booked that morning. Also, she seemed to think I was late because I got lost; which was not the case.

Anyway, it turns out it was her friend (or as she said her manager) on the phone.

Lexi, if you ever get to read this, you are a fit babe and could easily build up regulars. I urge you to dump your "manager" and either go it alone or to a reputable parlour.

Sadly, I have to recommend this as a "no". I will never return and I just can't advise any other punter to go near the place.

In summary: great girl, crap admin.
