The Premises:

The apartment was as clean as always, and the maid was very inviting. I was offered a drink of wine, tea, coffee or water, but I brought one can of fruit cider with me, and accepted a glass for it. Being allowed to bring a drink of your own is a rare thing in my experience and this is a bonus in my opinion. I suppose many places get put off in case guys are drunk, but I suppose they realised that I only had the one to steady my nerves a bit.

The Lady:

Both Alex and Jenny are lovely and played their parts out really well. Both girls are stunning and better than in the pictures. Alex is probably in her early to mid 30s; she is very very pretty, has a nice body and is drop dead gorgeous in my opinion. Jennie is really young (looked about 21-24), pretty and has one of the sexiest bodies I have seen in a long time.

The Story:

This is my third time at the retreat. This time I didn't plan who to see and just called while I was visiting London that day. Today it was Alex and Jennie on duty, and after some persuasion by the maid, I decided to go for my first ever Two-girl experience.

I went for an office scenario, which had them boasting about flooring some poor co-worker earlier that day at the misfortune of his own testicles. This led to a bet that they couldn't do the same to me and the fun began. I asked for loads for foot fetish stuff, as well as some ball torture/busting, which both girls done to perfection. The girls had lovely (well looked after) feet, (Alex had size 5, and Jennie had size 6), and spent over half an hour touching me all over with them at my request – It was a dream come true. This session included loads of verbal teasing, followed with a nice conclusion and I walked away very happy indeed. Alex is really easy to talk to and I instantly clicked with her. Jennie has only been working there for a short time, but I can definitely see potential in her. I would definitely see both of them again, and really cannot wait to meet Alex again on a one to one basis - She is my definitely my favourite at the retreat so far. Thank you to the retreat for another great experience.
