The Premises:

Discreet location, 2 minute walk from Angel tube. Immaculately clean apartment with good shower facilities. No issues.

The Lady:

Lori is a Romanian girl. Her AW profile and photos are entirely accurate. She says she has only been in UK for 2 weeks. I recognised that the photos were taken in the flat - and so were very recent. She says she is 24 and that rings true. Attractive, slim - size 8 with B/C cup boobs - and a very tight pussy!

The Story:

I am a fan of GFE and that is what Lori delivered in spades. Plenty of DFK followed by OWO to completion. She charges an extra £10 for CIM. In Bucharest she trained as a masseur so after round 1 she gave me a good firm oily back massage. I then turned over for more OWO and then RO - she tasted sweet and I fingered her incredibly tight pussy. This was followed by cowgirl and then more OWO to completion. A very enjoyable hour all round from a genuine girl who delivered what I asked for.
