The Story:

Suzanne was a birthday gift from my girlfriend, and she fully indulged both of us. Our hotel was hard to find but she didn't allow that to be a problem. She arrived dressed as requested, and we all enjoyed a gradual build-up, as conversation and champagne gave way to the girls exploring each other and me - before we abandoned clothes for the bed and various three-way oral positions, with me the centre of attention throughout. I was made to feel like a king; when I told Suzanne to adjust position or technique - it was our first time with her - she immediately indulged my whims and then remembered what I liked. She made my fantasy effortless fun, engaging us in conversation about everything, while I got my breath back. As others have said, she's not a clockwatcher; no moment felt rushed, and she stayed until the job was thoroughly done. I would definitely recommend her to my gentlemen friends, and to their girlfriends too.
