The Story:

Helen is very warm and friendly. I could happily just talk to her! She is nicely spoken and articulate. She hates rudeness so do be polite. This was my third visit. I had never visited a lady like this before but she has expertly relaxed me and we have got more adventurous each time. She really knows how to use her tongue and gives a superb BBBJ. Her pussy just begs to be licked. Helen should be available on the NHS - she does more to make you feel good and happy than any pill ever could! In summary - worth every penny and much more. I can't wait to go back!
