The Premises:

Town house on a main road. The clean bedroom was on the top floor. On local bus routes and easy walking distance from Lee station. I found it easy to park but noticed that a new CPZ was soon to be introduced in the road I parked in.

The Lady:

Well built lady in her 40's. Very fine pair of Bristol Cities. Had seemed a little bit stand offish on the phone, but once we met she was very pleasant and friendly.

The Story:

Very pleasant and relaxing session. Amber was comfortable to give OWO as I was freshly showered only an hour or so earlier. Amber was very talkative and definitely not a clock watcher. The session exceeded my expectations. I will definitely visit again when I have business in the area.
