The Premises:

The House Of Divine flat in North London is super conveniently located within 30 seconds out of the tube. It's a safe area. The flat itself is large, clean and tidy.

The Lady:

Ruby is an amazing lady. Her personality is great, she has a fantastic attitude toward sex. Her pictures on HoD website are accurate. Now the pictures won't tell you that she has a lovely face with a nice smile and she emotionally connects with you when looking at you. Her skin is smooth as silk. She is slim and toned: so far 10/10

The Story:

What to say here?

Well on one hand I would like to keep this little gem just for me, but on the other hand I would love to know that some other gentlemen are experiencing the level of satisfaction that I experienced last week-end.

Ruby arrived in the bedroom and I was literally overwhelmed by her looks. After sorting out the paperwork we started kissing, not the light shy corner of the mouth type of kissing, no the good, wet, deep french kissing;-)

After a few minutes of kissing and undressing I asked her to lie down and I started kissing her all over, and I made my way to her pussy. She has a super pretty pussy, with fantastic lady lips, kind I would lick and suck for hours - oh I actually did: she reacted nicely to my oral strokes and while I think she enjoyed it, I surely did!

She then returned me the favor by giving me a fantastic OWO. Her strokes were so pleasurable I was in heaven.

Then I asked her to ride me cowgirl. Being inside her was a wonderful feeling. We did reach climax together and that felt soooo good.

The chatting-cuddling time afterwards was relaxed and sensual.

I think my life as a punter has a before and an after: I loved every minute of our meet, she is my new goddess ;-)

Ruby is a real gem, treat her well she deserves it.
