### The Premises:

A nice tidy flat in the middle of a business Park very quiet plenty of parking nearby, one bathroom with a bath and tap shower.

### The Lady:

A very beautiful 22 year old English woman with a lovely slim body, long brown hair, size 10 with 34c breasts.

Much better looking in person than in her pictures and her pictures are lovely, she has more photos on her twitter page.

### The Story:

Imogen was truly stunning in black high heels, stockings, and wearing a nurse's outfit at my request, she is very friendly and passionate, we started off with some very nice kissing whilst standing up, not DFK, but very intimate.

We then moved over to the bed for some more kissing before moving on to 69 which was very nice, then into covered cowgirl, which was too much for me and I finished.

We kissed and cuddled a bit more, she gave me a massage, I then suggested we go again only to be informed due to me having a shower we didn't have time.

The only negative I had with the experience was not her fault but an establishment policy that I was unaware of and have not come across before, that showers are included in the time paid for.

Which was annoying as I arrived 10 minutes early and showered there so I would be fresh for her, and I showered again at the end due to massage lotion.

Since the shower was in a separate room and Imogen was not with me and I could of taken all belongings into the bathroom with me I really didn't feel that this time should be counted out of what I paid.

But this aside it was a lovely Gfe from a lovely woman and would happily visit again but shower at home beforehand.
