The Premises:

Clean and tidy modern apartment. Security buzzer on door making arrangements discrete. Dedicated parking space. Shower / facilities available, choice of drinks offered on arrival.

The Lady:

Petite lady, beautiful womanly curves in all the right places. Greeted me dressed in a sexy black dress with revealing neckline and short skirt.

5' ish in height, mid to late 30s. Danni displays a variety of photos, some older some more recent. She may dress differently on arrival but the lady you see is unmistakably "Tiny Tease", that is her working name.

The Story:

Having met Danni on numerous occasions previously I can honestly say she is a friendly, chatty lady who has the ability to put you at ease and feel at home with her from the outset. We chatted and cuddled on the sofa whilst downing the offered drink, then Danni as always is mindful to invite you to the bedroom without further ado..... . She seems to have a knack to timing this depending how the greeting period goes. We seem to chat longer, for example after a longer absence as we have catching up gossip to deal with. On the other hand, a quick exit to the bedroom is the order of the day when she spots I'm particularly playful.

We are at ease in each others company now so are mindful of personal requirements / likes / dislikes. I have never been refused any suggestion, but then I know Danni enjoys to list pretty well now and have experienced the delight of most on offer. mmmm

Danni loves to kiss and snuggle up for a cuddle and seems to enjoy / respond to some more intimate attentions. I always complete with a happy ending whichever route we go in our playtime.

I can highly recommend Danni to a beginner to this hobby or more experienced players as I feel I have now become. Will I go back? Of course.
