The Premises:

Well known area of London's South Kensington. Big block and was greeted by Selena in her large apartment.

The Lady:

Selena says she used to be a model and on meeting her, I could see why. She has the body of an Olympic athlete.

Tight body from lots of trips to the gym. She looks much like the pictures, she does have some tattoos.

The Story:

Had a fantastic time. I was looking for A level which is £50 more. We started with a blowjob without which moved into a 69 session. Then the main course of A level. She is a very passionate and skilled woman and I left very happy.

I can recommend her. Do have your Weetabix before you see her.
