The Premises:

I met Cherry at a seafront hotel in Brighton which was easy to find. The room was adequate and had a nice en suite bath with shower. The hotel's fire alarm sounded a couple of times during our session, and we were also disturbed by housekeeping, but this was not Cherry's fault and she was due to move to a different hotel later that afternoon.

The Lady:

Cherry Gorgeous by name, Gorgeous Cherry by nature! Cherry's description and photos are accurate; most likely in her late 20s, she has a lovely figure with tiny waist and large enhanced boobs. Normally I am not a fan of enhancements, but these felt natural to the touch and were capped with beautiful large nipples. A very pretty girl with a perfect smile.

The Story:

I'd wanted to see Cherry for some time. Currently staying in my home town of Brighton, and offering a reduced rate from her London prices (booking via AW), I decided this was the perfect time to make a booking. I'd requested lingerie with black stockings but Cherry greeted me dressed in cream lingerie, stockings and heels. Not a big deal, she still looked delightful. Cherry was charming company, sweet and friendly from the moment I walked through the door. She speaks excellent English and is confident without being pushy or forceful.

As this was my first booking with Cherry after introductions and taking care of my donation, I let her take the lead. I was not offered a drink (at least until the end of our session), but she invited me to take a quick shower (solo) and undressed me, before grabbing my cock and walking me into the bathroom.

Fresh and clean, we moved to the bed and began with some light kissing while Cherry stroked my cock. I removed her bra and she invited me to suck on her wonderful nipples, and then she gave some great OWO with lots of spit. I was getting ready to cum so she told me to fuck her, put on a cover, and clambered aboard cowboy style. Great technique and it wasn't long before I popped.

I was then offered an oil massage which I declined due to a current injury, so instead we took a little time out to talk about Brighton and Thailand. I then instigated some DATY action to return the favour, and continued until I brought her to orgasm.

Cherry could see I was hard again and ready for round two, so she asked me to fuck her again. We began with me on top, and again finished with her riding me cowboy style. Sometimes I find it hard to cum a second time without hand relief, but Cherry's excellent technique resulted in me popping twice within 80 minutes!

The remainder of our time was spent enjoying a shared shower and then cuddled up in bed. Cherry made sure I left promptly as she needed to check out of the hotel, so she was a little distracted towards the end - and her phone rang several times - but I am sure she would be more focussed next time.

Overall Cherry was excellent company and I hope to see her again as I am sure future visits would be even better and more naughty!
