The Premises:

Don't know derby so didn't know it was a dodgy neighbourhood, flat on groundfloor, flat ok but freezing+cold wate& bedroom+ bed dirty.Very undiscrte entry+ reception.Only thing clean was the bathroom which I used to bathe fully first despite washing earlier that day.

The Lady:

Matched seemingly recent photos, which was good after being duped recently by a notorious agency in nottingham. Seemed clean herself,quite attractive, but wearing a tracksuit& wonderbra.

The Story:

I am young,considered attractive,clean,etc, but disabled+shy &had saved up& was looking forward to it after booking appointments with her before& getting cancelled twice at last minute. Her profile seemed genuine& she was nice on the phone.After v indiscrete entrance&state of bed I was felt dubious but had travelled a long way& needed good time. Gave her cash for 3hours with vslight discount she offered after she cancelled twice.laid on bed while she nattered about herself&only let me massage her fully clothed.I only asked for&she promised safe sex+ at least covered oral after I had unclothed& was vpolite, but got nothing. I didn't complain as I was met by another bloke in the flat&seemed like she had others there. Was rushed out thou I really wanted a shower, overall awful,awkward experience. She admitted it was a friends place& that she was travelling uk saving up for luxuries, felt completely robbed. Also advertises on escortguide.co.uk as Vikki-206006. She did seem tired, but had literally invited me after cancelling outcall, if she had said she wasn't feeling ok I would have gone, but she decided to rip me off in a very unpleasant way.
