The Premises:

As reported in previous FRs of this parlour. The room I was given was a reasonable size with floor tiles or similar covering and just a bath and a massage table. It seemed quite clean

The Lady:

As previous reports, there was said to be 12 girls working. I had a choice of about 9. Most late teens or 20s. I was surprised there was little attempt on the girls' part to smile or make eye contact.

Having paid my entrance fee, I sat down for a few minutes to choose, but still only one girl tried to influence me with a smile. The Thai girl I liked the look of was half laying down having something done to her hair by another girl....but she didn't even sit up to acknowledge my presence. Eventually I chose Sandra who was at least talkative with the other girls and another punter.

Sandra was Italian, about 5'3" or 5'4", but appeared a lot taller because of the large heels and platforms. She was slim but with comparatively large breasts, and had long black (perhaps dyed) hair. She told me she was 19 and I saw no reason to disbelieve her. Certainly a good looking young lady

The Story:

Options were ?10, ?15, ?20 entrance fees for 30, 45, 60 minutes respectively - the ?15 and ?20 included a bath. I chose the ?15. On entry to the room, Sandra told me it was ?50 for her for 'everything' which included assisted bath, O and sex. I paid up.

Sandra ran a bath (just right temperature) and stripped. While I lay in the bath she stroked me in between the legs and got me very interested. She offered more or move to the bed. We moved to the bed where she gave me a back massage before turning me over for the O (covered). We switched places, and I fondled and kissed her (mouth not available). Then she invited me into the mish position.

We chatted while we dressed. All in all, a pleasant half hour. I would return again, but agree with previous report, that with that many girls to pick from, I'd probably try another one next time
