The Lady:

Monica is a stunningly beautiful and sexy tall blond. Amazing figure, beautiful face, luscious long legs. Even better looking than her photos. The kind of woman who, if she walks by, you turn your head and think "wow". She's Scandinavian, with a very charming accent, and is smart, personable, and fun. Lovely to talk to, and more.

The Story:

I contacted her via the email from her web site, and spoke once by phone before we met at my hotel. I had decided to splurge and book a longer session that included dinner. She arrived on time - a hug and kiss and some introductory small talk, then down to the restaurant. We had a marvelous time at dinner. She was fun, flirty, and really built up anticipation for what was to come. Later, back in my room, the activities started slowly and sensually on the couch. As clothes began to drop away, I was awestruck by her svelte and perfect body. We moved to the bed, and the action was passionate and mind blowing as we moved from position to position. Monica is creative and energetic, and afterwards we talked comfortably, and she kissed me affectionately before leaving. It was an amazing experience.
