The Story:

This was my first visit to Jessica a former Maxes Angel whom i had tried to see earlier but unfortunately our diaries could not match and i had been reading her reviews with interest as Jessica is described as a full service lady with really good reviews so i was looking forward to this booking and i was not disappointed.

The communications when setting up this booking were great and Jessica was wearing the requested costume when she answered the door, a drink and shower were offered and payment sorted out efficiently. We had a good chat first before the action started.

Jessica started off with some really good head and she let me gently facefuck her mouth, then moving on to a titwank/blowjob before i used my fingers to try to make her squirt and although i was unsuccessful i believe i made her cum judging by the flushed expression and the noises she was making. Some 69 followed then some rimming and fingering of her arse and i was really enjoying the view in the three mirrors placed around the bed. Jessica used the mirrors to good effect, looking at ourselves as we pleased each other.

Sex was in multiple positions, doggy, cowgirl, reverse cowgirl, Jessica has a range of toys and i used a doxy massager (or was it a Hitachi wand) on her pussy whilst she sucked me off.

The 90 minutes flew by with no clock watching and i will be booking again, highly recommended.
