The Premises:

The Lady:

Blonde Russian escort, very attractive, fuller figure with meat in all the right places. Great sense of humor and attitude, really pleasant person.

The Story:

Aspy came highly recommended from the receptionist when I asked what new girls they had. I was told she's very beautiful with a great figure, and was very friendly, which the latter at least was a stark contrast to the other Russian escorts I have booked in the past. Nevertheless I decided to go with it.

We seemed to hit it off straight away, and contrary to what I was expecting she came wearing a beaming smile. Her English wasn't superb but I'll take that over a shitty attitude any day, she really made the effort in her appearance, and seemed really upbeat, which is all you can ask. I spent the majority of the first hour of our booking just talking and having a friendly chat and getting to know each other. When we eventually went into the bedroom needless to say I wasn't disappointed at all. At the time I was blown away but looking back now it wasn't the greatest sex I've ever had. But overall I would definitely recommend booking Aspy if your looking for a beautiful woman who has a great personality rather than just a great shag.
