The Premises:

Well known and impressive facilities with chatty escorts and very engaging receptionist

The Lady:

Gorgeous. A petite, very pretty, young black lady with a ready smile whose current pics do not do her any justice. She is shapely, taut and has perfect boobs and bum.

The Story:

I have seen a fair few escorts in my time (many many more than you are guessing) and I had seen Louisa's photos before meeting her but I have never been so taken aback by the perfection of her features and the brilliance of her welcoming smile.

So there was no chance I wasn't going to love my time with Louisa.

We cuddled standing up, we kissed standing up, we moved onto the bed and carried on - all on Louisa's initiative. She offered a massage and I suggested I do it and my hands tingled with the pleasure of her young body.

More kissing and stroking then 69 and then sex in whatever position one of us suggested.

Louisa was both receptive and proactive within her own limits and I had the best time I can remember.

Note that Louisa does not french kiss and does oral with. But while this makes for a vanilla service for some, it is vanilla trickling over heavenly chocolate and an experience I will remember for a long time and repeat as often as I can.
