The Premises:

Was passing through Sheffield and did some research on the punting scene. Stumbled across the gfe website and decided to give it a go. Everything you read is true - great parlour very well run. Hadn't been to a parlour before but this was superb. Offered a drink by the receptionist who introduced me to the ladies one by one.

The Lady:

Tall, fantastic body - lovely tits and arse and so tall! Legs just go on forever. Actually, I joked with her that she looks just like a really fit bird from work that I really want to fuck!! So well pleased ;-).

So friendly and chatty it was like meeting up with a mate. She totally put me at ease and I was amazed when she told me her age. Let's just say she doesn't look it! Top top girl, would see her again.

The Story:

Feared the worst when I arrived to a fill waiting room, but sat and watched TV for a bit while the girls became available and came to introduce themselves. Had wanted to see Libby or Candice and certainly wasn't disappointed. Was led up to the room with her lovely shapely bum wiggling in my face, already getting hard then haha . we did the admin and she popped me in the shower, arriving in time to dry me off! She seemed very into me, an act but she did it well.

No word of a lie, easily my best ever punt. Awesome venue, gorgeous girl, lots of kissing and cuddling too. Loved it
