The Lady:

I saw Charm when she first arrived, still got the cute face, but she has gained a bit more weight. So she is more rounder than her photos.

The Story:

So with the decline of good thai escorts, i bit the bullet and paid £200 for a thai escort. Was it worth the extra £50? I dont think so. She has no amazing figure, just bulges everywhere. The service is standard gfe. She did provide dfk, owo and a-level, but then so do other girls at a cheaper rate. After a quick shower, we headed to round one, plenty of dfk, owo with finish in cow girl. Then followed a unenthusiatic massage, minimal conversation and a reminder that if i want round 2, i need to be ready in 10 minutes! Only half an hour gone. So round 2 pretty much the same, with a finale in doggy anal grabbing her chunky arse. A quick tidy up and i was ushered out with 15 minutes left. Definately would not return. For £200, this girl is nothing special.
