The Premises:

Unit 8 is a clean safe place on the edge of Sheffield, really private parking, not overlooked by anybody, really easy to find.

The Lady:

Wow yana is a slim sexy blond lady in fact her body is to die for, she is also very chatty and easy to get on with.

The Story:

When yana came into the room she pushed the door shut abruptly, she looked straight at me and came at me like a piece of meat, this was a good touch as I really like that sort of thing, We started kissing passionately, then we fell on the bed, I was really enjoying it at this point, then she started suckling my cock 'without' she was very good I could hardly control myself, so I pushed her away and kissed her again, then I went down her, wow her pussy was nice, I do have a thing about making ladies cum by going down on them, so I gave her my best shot at it, and she seemed to enjoy me, as I did it for quite a while and she was thrashing about, then she wanted to go and pushed me on my back and gave me the greatest blow job of my life, I tried to fight it but I came in her mouth, as I was Cummings she was wiping my cock all around her mouth covering herself in my juice, wow this turned me on, that only took about 20 mins, then we spent the last 10 mins chatting on the bed, Wow that was one of the best, sorry it took so long to write a review, next time im local I'll be around, Thanks
