The Lady:

Crystal is gorgeous with long dark hair. Her body looks good in the website photos and didn't disappoint. Her face is blurred in the pics but rest assured she is very pretty.

The Story:

Crystal had a way about her that put me at ease straight away. Very friendly and just the right amount of talking whilst her touch was pure heaven. The massage was wonderful with just the right amount of light fingertip teasing and sometimes harder pressure that I had asked for. She asked me if I'd been to Ego before and I told her I'd seen Poppy but that now I'd be torn as to who to visit next out of the two of them. I remarked that I might have to go for the duo massage if they were ever there on the same day. Crystal immediately took this idea and ran with it, enthusiastically telling me to imagine what would happen and what she and Poppy would be doing to me... and maybe each other! The effect of this fantasy dialogue coupled with Crystal expert hands and body teasing me had me absolutely rock solid and her touch became firmer and faster at just the right moment. She eventually took me over the edge and afterwards I had to take a moment before I could sit up, such was the intensity of how hard Crystal made me cum. It was absolute magic and I'll definitely be back... I'll be back to see Poppy as well... and I'm sure I'll be trying to arrange a duo visit with the two of them and turn the images that Crystal planted in my head into reality. Treat this lady well guys, she deserves it!
