thank fuck.

The maid was very funny and straight away made me laugh.

The place was clean and tidy and on the ground floor. No problems there.

The Lady:

After the maid took the right piss out of me....

I quite liked it as I said she made me laugh...

I was introduced to Katie.....proper nice right up my street.

I wanted some quality dirty time and paid for an hour.

She said she was 26, no reason not to believe her. She looked well dirty to me and I was very horny.

I have very specific services I required and after a little chat we sorted out the paperwork and it was down to business.

The Story:

As I said I required specific services and I left very satisfied.

Katie was a proper dirty bitch and I'm going back for more.

She has a few tattoos nice tits and she gave OWO.

We fucked and she has a nice tidy pussy.

I don't want to go into what else went on but the hour seemed to fly by.
