### The Premises:

The nice new flat in Gerrards Cross, close to the main shopping area. Easy buzzer entry system to the building.

Good directions given on the phone, and easy to find.

### The Lady:

Georgia is a fairly small, attractive English girl with blonde hair.

### The Story:

I decided to see a "new"(different) girl today, so I booked Georgia. However I had a big surprise when I arrived and saw her...

It was not actually a new girl at all! She was a girl I used to see regularly at another location in the Gerrards Cross area (using another name), before she joined One2One Escorts.

She has pretty new photos, but I did not recognize her from them as the girl I had previously seen.

Anyway it was good to see her again, as I had not seen her for over 15 months - January 2015.

It was a warm day outside, but perfect inside, so we had a fairly gentle time.( I don't usually see girls on warm days ).

After I arrived, Georgia went out of the room for two or three minutes while I undressed. She returned with a glass of water.

We had a kiss and cuddle, then got on the bed. I encouraged her to strip off, then she wanted 69 - so she gave me oral while

I licked her pussy from behind. Then she got on top for some sex. We finished with some very good quite long -lasting hand relief while I played with her body with my hands. She enjoyed watching me cum.

We talked about various things, including my cat.

This is my first review for this girl, but I have seen her many times before, so thank you for all the fun we have had!

Useful information for other readers: Georgia used to work in the Gerrards Cross area for a couple of years using the name Louise, so if you have missed her and would like to see her again, book Georgia at One2One Escorts!

Hopefully I will see her again some time in the future.
