The Premises:

Beautiful clean a parlour, clean showers a great clean and fresh place.

The Lady:

Stunning, Kiera is about 5'52 I think she is just beautiful long dark hair, smallish boobs but apt for what you need on the day, she has a bottom that must have been shaped by an Angel, shaven and fresh.

The Story:

I entered the room and had a shower, Kiera left then came back about 5 minutes later, I was clean and ready to go, she entered the room chewing gum so had beautiful tasty minty breath, we had a kiss a sismic moment for me she has the most beautiful lucious moist and just sexy as hell way to kiss you.

So after a bit of a play with her body and a bit of mutual touching and caressing I lay on the bed and she started giving me oral (Without) wow what a technique, I had to stop her a coupld oif times or it would have been a short visit, she just kept on doing an amazing impression of a Dyson, I stood up she carried on and sucked amazingly.

I was then given the pleasure of giving her oral, WELL what a beautiful little sweet pussy to lick and suck on, I found that a few licks on her clit made her squirm but sadly she stopped me, so she got on top of me and did this amazing riding where she doesnt touch you but sort of does it up and down just by contacting your dick, I wanted to give her such a good time but sadly, I came very quickly and our time together halted.

Ill be back for more I rarely see the same girl twice but KIERA has to be seen again.

Im in love. x
