The Premises:

The place was very easy to get to as it's right next door to Warren Street tube station. The shower facilities are very good there and the lady who answered the door was very friendly and polite. It's a nice clean place that I have been to on many occasions.

The Lady:

Imogen is someone I have been wanting to see for almost six months and I can definitely say it was worth the wait! She is often described as "girl next door" but that should be "stunning girl next door." Nice natural small breasts and lovely dark nipples. She is in her early twenties, is of medium height and looks even better in the flesh than she does in her photos.

The Story:

I had a shower and then sorted the paperwork out and relaxed as Imogen gave me some lovely soft OWO. This then turned into 69 and I could have stayed there all afternoon. Onto some lovely slow sex with Imogen before I came at the end on her breasts. Treat her gently and you will be rewarded. She is a really nice girl and I look forward to seeing her again soon.
