Debbie's is located in Anerley, South London. Convenient travel links and plenty of free parking available close to the Wickes store. The basement flat is well maintained and comfortable. Showers are clean and intimate, just perfect if you choose the House Special. Beds are also well maintained and the bedrooms are very spacious.

### The Lady:

Violet is a little pocket rocket. She's a intelligent blonde goddess with a bubbly personality and fantastic sense of humour. She has a lovely set of DD cups to slide your cock through.

### The Story:

After meeting the both girls working on the day, I decided to go with Violet. Both ladies were lovely but I am partial to blondes. She offered me a no rush service that felt like a GFE. We started with a shower together where we fondled and kissed each other. We then graduated to the bedroom for a lovely tender massage and some French kissing. Violet had me aroused from hello. I knew I was in for a treat and knew I didn't have to rush into sex. During the massage we had great banter and shared our common travel experiences around the world. After the massage, we had a 69 where she gave me a delightful covered BJ. Obviously with both our mouths occupied there was no conversation during this period, just steady licking and slurping. The sex was amazing. We started with her on top in cowgirl and she was really into it. We moved into missionary where I could feel her clit really grip my manhood. I normally like to finish off in the doggy position but I couldn't hold back my load when she squeezed her vagina muscles til I exploded. Fair to say I left a happy choppy and shall return for more when next in the area.
