The Premises:

Very nice place, very discreet and easy to find. Plenty of parking close by (street and a small car park). Also not too long a walk from the station. Nice large mirrored door on wardrobe by the bed which is fantastic.

The Lady:

Stunning tall lady as per her pictures &c. Some people may find her tits a little small. Lovely nipples.

The Story:

I had a really good time with this super sub. She gushed more than once and she stuck her tongue a long way up my arse, All holes on offer, all taken. One of my best experiences to date, despite the schlep from Paddington.
