The Lady:

A beautiful woman who has a very fit body. Jai has very large breasts. Her photographs do not show her smile or friendly nature. She is gorgeous.

The Story:

The sun on my back, a phone call to Tina, the maid, and I was soon descending the stairs to heaven. Tina is very welcoming and friendly. Jai entered the bedroom with a bounce and smile. The red bra, panties and knee socks hugged a very fit body. I stood kissing her and stroking her soft skin. My clothes removed by magic my cock was soon in Jai's mouth getting a damn good suck. Today was my lazy day. The 69, oral without and fingering of her tight pussy pushed all my buttons. I stroked her back and deep kissed her whilst she massaged my balls and cock. This was helped by the lavish licking I had just received. Jai kept me on the edge whilst we chatted, she sucked or I licked her tasty cunt. I watched her give me head and released my cum into her willing mouth. Her hand stroking my sack to extract all the spunk. I love a snowball and Jai kissed my sperm into my mouth. She is very good at maximising the pleasure portion. No suggestion of clock watching. I chatted dressed and thanked Tina for the efficient booking at short notice. I will return and in my dreams give Jai a good fucking.
