The Story:

I have been using this place for a long time and find it's usually very satisfactory. I've not had a punt for a while but have managed two in two days so feeling a bit pleased with myself!

I really get off on asian girls and find them so sexy. This one ticked all the boxes for me.

No drama with what I want, access to her pussy and anus with my tongue before fucking til I cum.

Very wet by the time I'd finished licking her so easy entry but warm and snug, not the tightest but nice and comfortable.

I'd describe it as a decent shag.

Lick, rim, fuck and go. Bliss.
