The Premises:

Setting is a fairly standard apartment block. Very near to train station and to a pub if you need any dutch courage or a celebratory after pint. Clean environment. Nice mirrors in the room to help you see all the good stuff.

The Lady:

Lovely looking girl, beautiful body, big breasts, a nice arse and lovely soft skin. Not altogether dissimilar to her photos on the site, although definitely has more of a Spanish vibe in person (A plus for me.).

The Story:

This was my first ever punt experience and I was nervous about it, which I told her. She was really nice and easygoing which helped put me at ease. Although my booking was a rather late one she was very accommodating and really relaxed me.

Good kisser, I didn't know if it was gonna be cool to kiss or not so I just chanced it and I was glad I did. Superb head skills, she clearly loves giving oral. Watching herself in the mirror as she performed brilliantly was a big turn on for me.

So, some Great OWO and then moved on to some nice breast relief. (Her tits are really ideal for this. And she makes all the right noises.) Then on to reverse cowgirl, doggy, missionary, Cowgirl and then finally I finished in her mouth. It can take quite a lot to get me to reach completion, but she had me hard as a rock and really put the effort in.

I'll be honest I had a great experience, and it completely relaxed me and made me feel like life was great again. Will definitely return to her again, (And hopefully next time we can try even more naughty stuff.)

-As a side note, I actually think as a person she seemed really cool. Like didn't make me feel seedy at all. Just kinda felt like I was hanging out with someone I know... who Im allowed to fuck. haha. Had a few laughs and a nice bit of chat either side of the rudeness.

My apologies to her for the late booking, next time I will be returning in the day! :) Thanks Ella!
