The Story:

Arrived at hotel after parking in car park nearby. (Small fee) Anastaysa texting room number efficiently to me. Tiny knock on door and was immediately opened by Anastaysa.WOW! Better than her photos which immediately got me in the mood! Very friendly and intelligent. Presented her with a bottle of wine and a box of chocolates which she appreciated. Offered me a choc and said we can burn the calories off later! Parted with the paperwork then onto the bed for an amazing back massage to get me in the mood! She asked me to turn over where she removed my boxers to release my, by now, erect and extremely hard member! She then teased me with her lips and breasts, sucking my nipples and lighting kissing my neck whilst wispering in my ear how horny she was! Then moving down to my throbbing cock and and taking full control! (One of the best orals ever!) Wasn't long before she expertly put on a condom with her splendid mouth! Rode me cowgirl with the most sensuous of hip movements! At that point I asked her to lay on her back so I could enter her in missionary which she willingly obliged! I started very slowly until she demanded that I fuck her hard! How could I refuse! Didn't want to orgasm but, unfotunately, that part of my anatomy wasn't playing ball so I gave in to the inevitable! After cleaning up we the had a lovely time chatting until it was time to go. Great time with a great lady!
