The Lady:

Both Annabelle and Melissa are around 5-6, Melissa is very slim with long light-brown hair, Annabelle buxom, big-bottomed, with dyed blonde hair. Both are attractive, Annabelle with classic model-like features, Melissa more impish and cheeky

The Story:

This was my second meeting with Annabelle and Melissa. For this meeting in my hotel room, Annabelle was a policewoman who had caught naughty schoolgirl Melissa doing unspeakable things with boys and drugs, and had brought her to the school head for some corrective punishment. Melissa was stripped, searched and punished, but fought back when she saw how turned on the teacher and policewoman had become. Since Melissa and Annabelle are real-life girlfriends there was plenty of girl-on-girl action for me to enjoy. After much threesome tussling, groping, deep-throating and kissing, Annabelle received a combined CIM/CIF from me while her pussy was receiving generous attention from Melissa's tongue. For the remainder of the meeting I relaxed while Melissa and Annabelle kissed and fondled each other, and then watched as they danced a little to Nicki Minaj on Spotify. A rather marvellous way to spend 90 minutes!
