The Premises:

very friendly and easy parking

The Lady:

very pretty face - always smiling

slim with smallish breasts and her coat peg nipples more than compensate

I really like Tanya because she is so friendly and always seems happy to see you

The Story:

with a bit of time to kill early on sunday morning I found myself in Salford

great to see that sheridans opens slightly earlier than other parlours in the area

although sorely tempted by Rebecca it was time to revisit my petite friend Tanya

I honestly think she did remember me

so after a quick shower - although Tanya said I didn't need it as it was obvious I had just had one it

was time for some full on action

I asked if we could extend from my original 30 mins to 45 "no problem" said Tanya and disappeared to confirm this

when she returned after a good kiss and cuddle during which Tanya told me a few of the things she

had been getting up to at the parties she went straight down on me for some OWO

during this I mentioned my occasional liking for some A level fun and Tanya replied that she "loves it up her arse"

I replied that I might not be up for it after a heavy drinking night the previous evening Tanya said "

oh its coming along nicely is this cock - I am sure we can get it right up my arse"

so after sitting on me for a few minutes with it up her pussy she said "are you ready for some bum fun" and turned around into doggy fashion

as on our previous time she held herself open and said "right you - get it stuck in there"

and so I did - straight in up to my balls

we did about 10 mins of anal during which Tanya was very vocal encouraging me with things like

"you can go as hard and fast as you like " and how she got to really like anal a few years ago with

her "fuck buddies" (apparently she had two on the go at once where she had her first DP which she loves) and then towards the end I said "am I ok to finish in your arse"

Tanya turned around and said" we have plenty of time left so you can keep fucking my arse as long as you want"

what a girl !!!

I was tiring a bit so even though the offer was tempting after another 5 mins I asked if she could finish me off by hand

she did look genuinely disappointed that her arse fuck was over

so she positioned herself to finish me off by hand and said " seeing as you like my arse so much why not stick a couple of fingers up it while I deal with this"

so I did

then it was on to a quiet wind down / a cuddle and a chat

during our chat Tanya did say that I should attend one of her parties as with a little bit of a cash incentive she may well be up for a bit of double penetration if Nicola would allow it

on our way out I mentioned my previous report on punternet and both Tanya Rebecca and Nicola were keen to see it on Nicolas mobile

Tanya even read some of it out loud and then thanked me for it saying "those were really nice things you said about me"

so another great time with Tanya who is becoming a bit of an addiction because of the fact she is so nice and yet so dirty at the same time

thank you sweetheart xxxx
