The Premises:

Crummy dump next to Warren Street. I was shown into the front room and then asked to take my pick of the four girls that were shown to me. Today's choice was a difficult one. Usually there are only two girls and one is always a complete munter, but there was a Polish girl with dark hair and two black girls, one of whom (Tracey) I have "seen" before and, of course, Milla.

The Lady:

After picking Milla I was taken to the room with the shower. She is Icelandic girl with fake tan. Blonde hair and pretty with a grabbable arse. When my cock erupted it shot a load of white ash inside her.

The Story:

Prior to that Miila commanded me to lie on my back whereupon she ravished me, kissing me all over and sucking my cock. Next she stuck her fingers up my bum informing me "You are my boy and I am fucking your bum". We finished off in mish, and I still picture her with her head turned to one side, her fingers enclosed in mine as I pounded her with all I had cos she deserved it. I still had a big semi as I was getting dressed which Milla clearly admired. What a girl!
