The Premises:

Modern apartment block just off Bath Row. Some free street parking on road outside her block opposite a little park. Good comms from Ruby told me exactly where to go & park. Quiet little street with no one giving you a 2nd glance & no nosey neighbours. Easy buzzer entry & her place was only on first floor. Very spacious & clean flat, large bathroom with a powerful large shower stall & her bedroom was nice & tidy & warm.

The Lady:

Exactly as per her pics on the other site, only 100% better. Lovely shapely bum & legs, & gorgeous face that is quick to smile. Quite small in height & a lovely pair of large natural pierced tits. This girl has curves in all the right places & is very proud of them. If you like the stick insect type, she is NOT the one for you. But with a shape like this she is definitely my type. Looks to be about the age her profile says too - always a bonus. If was scoring out of ten, she would be 11.

The Story:

Good comms from Ruby on phone & she sounded intelligent & friendly & directed me straight to her door without any fuss. I was greeted with a red body stockinged vision in red when she opened the door together with a nice hug & kiss. Got the paper & a shower out of way & when I returned to her bedroom she had already poured me a glass of water - a nice touch I thought. Got straight on with some kissing (not dfk, but still very nice & sensual), she then asked me if I would like a little back massage, which I accepted & she was very good too. We had a nice chat while she massaged me about what we both do as proper jobs & I found her great fun to talk to & a very intelligent girl too. This always sets the tone for me, so I was already impressed before the action had really started. After only a few minutes of massage she asked me to turn over & then she removed her top so I could see & play with her fantastic naturally large tits & she then proceeded to deliver one of the nicest & most gentle owo sessions I've ever had. For one so young, this girl's technique is right up there with girls who've been at it for twice as many years as she has. It didn't take me long to feel like I was going to blow, so I suggested a bit of ro, to which she was happy to agree & I must say her pussy tasted & smelled divine. She didn't do any of the pse fake moaning & screaming, just some quiet moans of appreciation whilst I was down there & after she had had as much as she could stand she demanded (!) that I lie down again so that we could have sex. She duly popped the hat on & rode me cowgirl & the bonus here was that as she's so young & has good knees (unlike me!), she asked me to hold her hands face to face & got up into a squatting position where her up &

down movement was more exquisite than a swiss watch. I soon popped inside the condom (which I was dissapointed about). After cleaning up, she was happy to lie down & talk & kiss for a while before I got dressed & left with a nice hug & kiss to send me on my way. In short, this was the best punt with a new girl I've ever had & I will most certainly be paying Ruby Ann a return visit. I must also mention that she didn't charge for any extras & did not clock watch at all, so her price is also very reasonable too. Treat her well guys because I think she's only doing this to earn extra money while she's a student so may not be around for ever & if I could only recommend one escort in Brum, it would 100% be Ruby Ann.
