The Premises:

The Lady:

Slim, blonde, very pretty, young, around 5-6; to my mind she looks rather like a young Laura Dern but with softer features and sexier.

The Story:

This was my second meeting with Elizabeth, and it surpassed even the high standards set in the first. Elizabeth likes role play, and this time she was a demure, sexually repressed librarian whose inner sex-demon I helped to unleash. This involved teaching her how to drink, dance, strip, pleasure herself and boys – offering myself as her practise partner, of course – and try out a few fetishes. This young lady turned out to be very open-minded, for a librarian. The end result was a highly charged and extremely erotic two hours that will live long in my memory. We had plenty of time after our sexual adventures had concluded for a cuddle and chat. Elizabeth is a wonderfully engaging and intelligent young woman who truly enjoys escorting, and, at least from my experience, she brings that enthusiasm to her meetings so that they become energised and almost cathartic. I can't wait to see her again.
