The Premises:

MKE's new place, very close to Ego in the outskirts of Bletchley (not, I promise you as bad as it sounds) - a converted business premises rather than an apartment. Only saw the ground floor room that was done out in the usual HoD corporate style, so fit for purpose rather than luxurious. A couple of useful mirrors helped things along.

The Lady:

Basically, wow! Tall, long legged and well proportioned with amazing natural DD breasts topped off by responsive nipples - once they are out it is difficult to concentrate on much else.

A very pretty face and long blonde hair complete the picture of a definitive Nordic beauty (even if she's from a slightly different part of the world).

Her photos are an accurate representation of her body, but of course do not convey her warmth and personality.

The Story:

Adrienne bounced into the room with my water and a big smile, and came over to kiss me - always a good start. After a little hugging and kissing, we quickly got naked and on the bed. Adrienne is a good and generous French kisser, but she also knows that guys are going to want quality time with her gorgeous breasts, so she alternates between kissing and putting those wonderful nipples in your mouth.

And it only gets better... After asking 'with or without', to which the only possible answer is without, Adrienne gave me a world class blowjob, she has an amazing range of techniques but basically her lips and tongue just feel wonderful. After a while we changed from her at my side to 69, which again she does incredibly well.

As she could, I'm sure, tell I was getting very excited, she asked me what position I would like her in, and once suited up she rode me cowgirl until I came - which normally once the rubber is on just doesn't happen to me however close I've been before. It's a real tribute to her sensuality that I had no problem reaching a shuddering orgasm.

Once she'd tidied us both up, we laid side by side and chatted whilst continuing to kiss (and my hands and mouth still had free access to her super boobs) until, sadly for me, it was time to say goodbye.

In short, I had a brilliant time with Adrienne, and I'm very surprised she doesn't have more reviews. I certainly intend to see her again.
