### The Story:

Shown to room with large clean bed and shower. Just finished showering when Alex walked into the room OMG!!! Alex had everything a man could wish for, tall, slim, magnificent body, great looking and a smile to die for. She was wearing her tunic but soon removed it to reveal gorgeous white undies which for me was perfect. Started with a massage and Alex paid lots of attention to all the right bits!!! Playing with my cock and balls just enough to get me excited but not too much!! Tickled my arse as well lovely!! After a while Alex asked me if I would like to massage her, rude not to I thought!! Alex laid on her front, shame to hide those great breasts!! Started massaging her back then worked down to her fantastic arse!! Well they don't call her A-level Alex for nothing!! Fingers were everywhere Alex was softly moaning she was enjoying every moment sounded like it anyway!! After what seemed like seconds Alex said it was her turn to pleasure me. As I lay on the bed Alex gave me OWO her hot warm mouth working its magic. Alex then tickled my bum hole and then slipped a finger inside WOW awesome. Alex then gave me some awesome deep throat, and after a few minutes I came all in her hot warm mouth!!! Alex cleaned me up and we laid together kissing and cuddling for a while having a good old chat!! Alex is amazing highly recommended you have to see her to believe it!! Showered and left with a massive smile on my face!! Will return ASAP!!! Thank you Alex you are every man's dream you have it all. See you soon xxx
