The Story:

i really loved my massage with Tara. she is an angel. she's so easy to get on with and has a great sense of humour. But the best thing was the quality of her massage. she is one of the sexiest girls providing this kind of body to body massage and it was simply awesome. she is obviously highly experienced, because she pressed on the right buttons. However, the great thing about it was it genuinely felt like being massaged by someone you've known for ages. I won't forget her smile for a long time with those beautiful dimples. gorgeous.
