The Premises:

Basement Flat very close to Earls Court tube station (1 min). The flat has its own entrance and the building is in a busy street. Big flat, the bedroom has a king size bed, a sofa and a lounge chair. There are mirrors on the walls, so you can see yourself from different angles.

The Lady:

Petite thai pocket rocket, she has tiny perky tits with long nipples and a nice ass. I would say she is in her mid to late 20s.

The Story:

I had requested a schoolgirl uniform with high heels, because I saw her wearing one in a few pictures. The outfit she was wearing was even better than I had imagined (not the same) and she was very much into role-playing from the beginning till the end of our session.

I followed her into the bedroom where she told me to sit on the sofa, then she sat on my lap and told me that she had been a very bad girl, her mother told her that because she didn't do her homework, I (her professor) was going to punish her by giving her a very hard and big lesson. She said she wanted to start with a lesson on ABC (a...for anal, b...for banana, etc.).

I got undressed, she used a special ruler to measure the girth of my "banana" (as she calls them) and because it only fit in the biggest hole, she named it "big banana". Then she gave me a nice bbbj and we moved to the lounge chair where she continued the bbbj while slowly taking her panties off. She only had her miniskirt, stockings and high heels on which was a mouth watering sight. This was followed by cowgirl, reverse cowgirl, doggystyle and the plough.

Then we got up and used her sex swing (against the door).

Afterwards, we moved to the bed for missionary then doggystyle then a-level doggy then back to regular doggy with multiple pauses to suck my "big banana". Since I took too much time to cum, even though she kept encouraging me, and I was getting tired, she put a cock ring on my dong. I finally came deep in her pussy right at the end of our incredible session.

She was very happy, hugged me then she kept kissing my cock, took it with one hand and led me to the bathroom for a shower. We showered together, she kissed my cock a few more times. Once we were dry, we hugged and kissed for a while, she told me to come back soon because she will miss my big banana.

Overall: Amazing experience !!! She lives up to her reputation, makes you feel very special and you will leave with a big smile on your face. She's definitely the best punt I've ever been with. She's a true gem who absolutely loves what she does. Take good care of her !

PS: if you have an above average cock, anal will be more painful for her than enjoyable. When I asked her to change the position and do anal, she said she can't refuse because she loves anal and wants my cock deep inside her ass, I inserted my dick very slowly to avoid hurting her and she enjoyed it at first but after a few minutes I noticed she wasn't very comfortable so I decided to pull out and change back to the pussy.
