Rumanian. Exceptionally beautiful, small breasts, thin, shaved pussy with small tattoo of a butterfly. Altogether delightful

The Story:

Got to work quickly and we were soon naked on the bed. Went to put a condom on my penis before oral, but when I pointed out that the web site said OWO she was happy to oblige, but did ask me not to come in her mouth. Oral was nice without being spectacular. I returned the favour which she seemed to enjoy, again nothing spectacular. Penetration (now with condom - fair enough) in various positions, but, as usual, the condom was very tight and I was unable to come. So finished off with a hand job, which whilst not spectacular was most enjoyable. There was a settee which I will try next time.

All in all an experience which was better than most but not as good as a few. I left with the impression that she wasn't a lustful, lecherous, adventurous girl. Not into threesomes or fantasy, very vanilla (I wouldn't dare touch her anus) but nevertheless a great fuck.
