The Premises:

Discreet address between Bayswater and Paddington. It's at least 10 minutes from the nearest tube, but there is a fair bit of street parking in the surrounding streets. Her self-contained flat is at the top of the building and there's no lift so that makes for a bit of a work-out before you actually get to her door! It's a nice flat though, plain and simple but with a decent shower.

The Lady:

Compared to her photos, Letizia is less glam and more 'girl next door'. Great figure which I loved - not stick-thin or over-toned like some girls but also not carrying any excess. The biggest thing for me is that she is so smiley and cheerful. That can make or break a booking for me and in terms of friendliness she scores a 10/10.

The Story:

Reached the top floor of her building to be greeted by Letizia's smile at door. She was very welcoming and chatty from the very beginning and we really hit it off. Was offered a shower, after which she instigated some kissing and stroking. Oral was covered, but she had a really good technique. We then did a few different positions - she's particularly good in doggy - before finishing mish.

The booking ended with another nice chat but I suspect round 2 would have been an option had I wanted that as she seemed very easy going and eager to please.

Letizia is a smart, smiley girl who is a safe bet for a good booking for any guy who will treat her in a similarly friendly way.
