The Premises:

Described many times: dedicated parking, lift up to variety of rooms, etc. I'd expected to see the wonderful Yvonne on reception, but she was poorly, so I was greeted by Kai, whom I had not seen for ages, mainly because I've done limited punting during the last few months, because of possible effects of my medicine on my performance.

The Lady:

This was Courtney's first day - ever. I had tried to travel in to Brum in time to be her first punter, but just missed out (so I was her second one). From what I can gather, she is a Coventry student trying to supplement her undergraduate finances. She is 19 years old, tall and slim (32B boobs and size 8) and has lovely long legs; also black hair down to her waist. I normally go for the curvier sort - but I'll always try a newbie at least once.

The Story:

This young woman should do very well indeed. She was well into DFK and OWO (my absolute essentials), and, I can honestly say, actually gave one of the best deep OWOs that I've ever had the pleasure of; she was superb at it. Overall, she is a sexually confident (and experienced) woman, and, in answer to my question, she informed me that she intends to be a WG for the medium-long term (although, of course, her shifts are not yet timetabled), and I will certainly see her again. (And, yes, everything worked at least adequately - another sign of Courtney's abilities.)
