The Story:

As soon as I walked through the door she instantly put me at ease. Her surprise soft northern accent was an instant turn on. And she was stunning with very little make up. We started off slow as I was a little nervous she really knows what she's doing took my cock with gentle but firm skill. Her tongue wrapped around it was amazing her long nails stroking my balls utter heaven. The experience just seemed to flow she seemed to love me touching her and came very hard sat on my face her pussy is outstanding so tidy and tight. Fucking her was like nothing I have experienced with a working girl she seemed to know my body and what I wanted without me having to say a word. Her body is like something out of my dreams the way she moves is perfect you can tell she was a dancer. All in all it was a fantastic experience totally different I can't wait to see her again. Beautiful smart and very naughty!
